PRINCIPAL

<WELCOME>

It is a pleasure to begin my tenure as Principal of San Juan Elementary. My 23-24 primary school focus areas are: student & teacher academic success; student, teacher & staff social emotional welfare success, and to provide a clean and healthy school environment.

As your principal, I look forward to building relationships with our students, staff, teachers and community. I look forward to an amazing school year!

A B O U T M E

Outside of school, I am a proud mother of one son, who is a Marine veteran, a beautiful daughter in law and an adorable grandson. I also have a blue heeler named Sancho, a little Yorkie named Dexter, two parakeets named Napoleon & Josephine, and two cats named Primero & Grey Grey. My immediate and extended family have lived in Northern NM since the 1700's. I enjoy the outdoors in the fall and winter; reading and painting (amature.) I have been an educator for 20 years: I taught middle and high school for 12 years and I have been an administrator of the remainder of years. I have been an elementary, middle and high school principal prior to this position. I have been with EPS going on 2 years (previously with Velarde and Abiquiu Elementary.)
